

## ONDRA-HUYETT ASSOCIATES, INC. BUILDING A LASTING IMPRESSION

Mike Ondra & Keith Huyett formed Ondra-Huyett Associates, Inc. (OHA) in 1995 with the belief in a better way to deliver construction by collaborating with owners, designers, and trade contractors to achieve the owner's objectives for cost, schedule, and quality while reducing risk to all parties involved in each project.

OHA knows that communication, cooperation and collaboration between the owner, designers and constructors enhances the likelihood of project success. We persistently look for better ways to deliver buildings and to do so at a higher level of integrity and professionalism.

Our approach has worked well beyond our expectations for 28-years of delivering exceptional construction and award-winning projects on that founding principle. We earn business with it, we attract experienced talent because of it, and we depend on it every day to assure construction quality and value. OHA is recognized as major provider of construction services in Eastern Pennsylvania serving top tier corporate clients by working with local and national Architectural and Engineering firms and countless trade contractors to deliver over \$600 million in award winning construction projects.

After Keith's retirement in 2005, Terry Hodge and Robin Hoover joined Mike as part of the OHA Management Team. With the transition of leadership and ownership shifting to Terry and Robin, Mike was able to step away from the company and enjoy retirement.
