30 YEARS STRONG

Built to Last: Ondra-Huyett Marks 3 Decades Of Excellence in Construction

What began as a blueprint in 1995 has become a legacy of innovation, trust, and excellence in construction management. This year, **Ondra-Huyett Associates** proudly celebrates 30 years of delivering quality projects, cultivating long-standing client relationships, and remaining committed to doing business correctly.

Mike Ondra and Keith Huyett built the company on a bold and forward-thinking vision: **Build smarter, collaborate better, and deliver exceptional results with less risk.** That vision continues to define the company's approach today — an approach rooted in communication, cooperation, and integrity.

Leadership That Reflects the Mission

Today, **Terry Hodge and Robin Hoover** lead **Ondra-Huyett**. Their decades of experience with Ondra-Huyett — as both employees and owners — has resulted in tenures that extend beyond that of the company's founders. Their journey from employees to owners is a testament to the company's culture of mentorship, professional growth, and long-term vision.

"In a changing world, there is still value to sticking to your roots," says *Terry Hodge, co-owner of Ondra-Huyett Associates*.

Under their guidance, the company remains committed to its founding principles while embracing innovation and evolving industry demands. With employees across **Pennsylvania, New Jersey, Texas, and Indiana**, Ondra-Huyett's reach extends well beyond the job site.

Delivering Excellence Across Industries

Over the past 30 years, Ondra-Huyett has worked with local and national architect and engineering firms and countless trade contractors to deliver over **\$600 million in award-winning construction projects** throughout Eastern Pennsylvania. As a full-service construction management firm, the company provides support from preconstruction budgeting and scheduling to constructability reviews and project turnover.
